Descriptions and Goals

Sooner or later, every lawyer will represent or advise clients who have a problem with domestic pets, either their own, or someone else's.

Whether it is advising them on ways to assure that their dependent friends are taken care of adequately if anything happens to them, or knowing about liability for an animal's behavior or where to find the law in this rapidly developing area, this program offers INEXPENSIVE, quality continuing legal education.

Proceeds will benefit the Humane Society of Pulaski County, with a portion of the proceeds also going to CARE (Central Arkansas Rescue Effort for Animals).

About our Charities

The Humane Society of Pulaski County is a local non-profit organization which receives no funding from any unit of government or from any national organization. It is entirely dependent on contributions. It operates a "no-kill" shelter and is dedicated to the care and adoption of homeless, abused, and abandoned animals.

CARE is a local, non-profit rescue/spay-neuter organization. It operates programs which include rescue, fostering and adoption of animals from shelters that euthanize. CARE also provides clinics and grants to assist pet owners in sterilizing their pets.
